Phone: 1-888-466-4328 • Fax: 1-866-634-7737

*New England Territory*

**ARGO BASEBOARD** - Providing hydronic baseboard heating with Lo-Trim II's attractive slim, low profile (less than 8"), Panel-Trim II high output and Classic Baseboard attractive architectural design.

**AUTOMAG** - Universal powered closed replacement electric zone valves, also available with PRESS FITTINGS. Lo profile zone valves to fit within baseboard enclosure, Manifold Systems, Zone Valve Control Centers, Digital Thermostats.

**BEACON/MORRIS** - Kickspace hydronic floor and wall heaters, Twin Pak - Two piece Commercial Fin Tube Radiation Steel & Copper Fin, Hydronic and Steam Gas Fired Unit Heaters (Horizontal & Vertical), Tubular Gas Fired Unit Heaters, Cabinets Unit Heaters, Convectors-Hot Water & Steam replacement convector elements available. Panel Radiators and towel warmers.

**CANFIELD TECHNOLOGIES** - Various types of solder product, sheet lead, lead wool, caulking lead, AQUAPURE- premium lead free w/silver, AQUASIL- lead free w/silver, AQUAFLOW- Economic lead free 95% tin/ 5% Antimony, 95/5 and 50/50 lead. Try our new New Canfield SILVERSAFE Lead Free Solder

**LAARS** - The most complete line of lifetime warranted indirect water heaters, both stainless steel from 30 to 120 gallon and glass lined 40 to 80 gallon. Complete offering of 95% condensing wall hung and free standing boilers. Unique designed combi wall hung condensing boilers that offer 3 gallon storage to avoid water sandwiching on domestic calls, JV Series Mini-therm copper boiler for competitive and efficient installation.

**MAID-O-MIST** - Complete line of Hydronic and Jacobus steam air vents, hydronic commercial vents and bullet style steam vents. MADE IN USA.

**MESTEK** - Hydronic baseboard. Suntemp 700, Suntemp 800, Petite 7, Petite 9, Kom Pak, Senior, Classic with aluminum grill, Synergy and Elegance. Thermaquiet wall mounted fan assisted low temp high output heaters.

**MILL ROSE - BLUE MONSTER** - Compression seal tape for leaks, Teflon tapes, Microbubble leak detector, 1 - step PVC cement, pipe joint compounds, grit cloth, hand wipes, Aluminum oxide open mesh and sand cloth, Power deuce brush, drain banger. Full line of fitting brushes, boiler brushes, solder flux, hand tools, flame shields, refrigeration coil brushes, Water Gate shutoff tool, Artic Armor Gel.

*Manufacturers Representative Serving the Plumbing,  
Heating and HVAC Industry for over 55 years.*

**RBM**  
Brass

**RBM BRASS** - Quality Hydronic Accessories: fast fills, brass vents, mixing valves, multi-position hydronic air separators and magnetic dirt separators.

**Smith**  
CAST IRON BOILERS

**SMITH** - Residential Oil and Gas Fired Boilers. 8HE Series: 86% efficient cast iron oil boiler. GBX/GVX Series: gas fired water with induced vent option input ranging from 70 - 195 MBH. GSX Series: cast iron gas fired steam input ranging from 88 - 287 MBH. GC160 Series: wall mounted gas fired condensing boiler 93% efficient. Unit can be purchased as a "Combi" or just boiler only.

**THERMO-DYNAMICS STEEL BOILERS** - Complete Line of Energy Star Packaged Residential Steel Boilers, Vertical Tube, Three Pass Horizontal Tube, Lo Mass Scotch Marine, Chimney and/or Direct Vent, Dry Base and Wet Base Units, Zero Clearance Units, Indoor and Outdoor Residential Oil Fired Pool Heaters, Electric Wall Hung Boilers.

**VESTA.DS.Inc.**

**VESTA** - Premium condensing instantaneous gas fired water heaters (tankless).  
Condensing combination boilers/water heaters. Hybrid units also available as tankless with tank.

**ZILMET** - Complete line of residential and commercial diaphragm hydronic expansion tanks (obround or flat for wall hung applications); Potable hot water expansion tanks and Well tanks. Full line of Commercial ASME expansion tanks up to 3900 gallons. IntaKlean - Magnetic dirt separator for hydronics. Full line of Plate and Frame and Brazed Plate Heat Exchangers. ALL RESIDENTIAL TANKS CARRY A 5 YEAR
