Mid Atlantic Territory

ALLANSON- Full line of copper wound 10,000-volt ignition transformers for oil & gas burner applications, OMNI universal 17,500 VA ignition transformers. Ignition transformer kits with various mounting plates. Chek-mate portable transformers & electronic igniter tester.

ARGO BASEBOARD - Providing hydronic baseboard heating with Lo-Trim II's attractive slim, low profile (less than 8"), Panel-Trim II high output and Classic Baseboard attractive architectural design.

AUTOMAG - Universal powered closed replacement electric zone valves, also available with PRESS FITTINGS. Lo profile zone valves to fit within baseboard enclosure, Manifold Systems, Zone Valve Control Centers, digital thermostats

Beacon Morris

BEACON/MORRIS - Kickspace hydronic floor and wall heaters, Twin Pak - Two piece Commercial Fin Tube Radiation Steel & Copper Fin, Hydronic and Steam Gas Fired Unit Heaters (Horizontal & Vertical), Tubular Gas Fired Unit Heaters, Cabinets Unit Heaters, Convectors-Hot Water & Steam replacement convector elements available. Panel Radiators and towel warmers.

R.W. BECKETT - Residential & commercial oil burners, oil burner pumps, PSC motors, igniters, couplers & accessories. Genisys oil primary controls. Oil tank accessories, Firomatic safety shut off valves, King tank alarms & gauges, speed fill, tank fill accessories, Rocket Fuel monitor. Commercial gas burners (natural & propane) for retrofit and most OEM boiler manufacturers. ** NEPA & VA ONLY

BOSTON VALVE COMPANY - Complete line of USA Full Port ball valves sweat & NPT stop & waste valves. CSA/UL gas mini shutoff valves, flair ball valves, purge ball valves, Oil tank valves w/integrated bleed port & purge gate valves, swing check valves, Pex Ball valves, Pex manifolds. Complete line of LEAD FREE BALL VALVES. Private label program available

CANFIELD TECHNOLOGIES/LUKENS METAL - Various types of solder product, sheet lead, lead wool, caulking lead, AQUAPURE- premium lead free w/silver, AQUASIL- lead free w/silver, AQUAFLOW- Economic lead free 95% tin/ 5% Antimony, 95/5 and 50/50 lead. Try our new New Canfield SILVERSAFE Lead Free Solder

CENTURY BATHWORKS - Complete line of standard and custom shower doors and medicine cabinets.

CLARION BATHWARE - Complete line of Acrylx Gel coat with lifetime warranted Armorcore base support, Acrylic tubs, showers, soakers and whirlpools. Specializing in ADA Assisted living roll in shower and tub/showers. E-Z PIN Quantum Series - 4 pieces tub/shower systems, no hassle easily assembled from the front of the unit.

CROWN/VELOCITY - VELOCITY BOILER WORKS - Complete line of Gas & Oil residential cast iron boilers. Available in hot water & steam. Natural & LP gas condensing boilers. Available in floor mount or wall hung configurations. Light commercial cast iron boilers. Mega-Stor II & glass lined indirect water heaters & a full line of residential oil fired warm air furnaces. Local Philadelphia stock, readily available.

ENERCO- Full line of gas tube heaters, infrared heaters, portable gas heaters, (N or LP) Heat Star, Mr. Heater & Dewalt branded portable gas space heating products, gas and lp accessories, hoses & electric (cordless) portable heaters.

GIANT WATER HEATERS - Complete line of competitive residential and commercial hot water heaters using GREENFOAM technology for eco-friendly insulation. Electric Models available in LowBoy & standard. Gas models available With Power Twist Baffles for increased hot water capacity. Direct vent models available.

HI-VELOCITY - Energy Savings Products Company. Manufactures a complete line of high to mid velocity A.C. & heating fan coil systems with VCM motors. Also low velocity hydronic air handlers, hospital grade total home filtration products.

KOCH FILTER - A complete line of air filtration products for commercial, industrial, hospital, gas turbine and paint filtration applications. Including Multi-Pleat, Multi-Cell, Multi-Sak, Maxi-Grid, Mini-Pleat and standard disposable filters.

LAARS - The most complete line of lifetime warranted indirect water heaters, both stainless steel from 30 to 120 gallon and glass lined 40 to 80 gallon. Complete offering of 95% condensing wall hung and free standing boilers. Unique designed combi wall hung condensing boilers that offer 3 gallon storage to avoid water sandwiching on domestic calls, JV Series Mini-therm copper boiler for competitive and efficient installation.

LAU - Full line distributor of residential and commercial HVAC components. Replacement control dampers, louvers and ventilation products, blower motors, blower wheels, gate belts, gate pulleys, fan propellers.

MAIDOMIST - Complete line of Hydronic and Jacobus steam air vents, hydronic commercial vents and bullet style steam vents.

MANSFIELD PLUMBING - Full line of AMERICAN MADE CHINA: toilets, lavs, pedestals. All manufactured in Perrysville, OH. South East PA only.

MESTEK - Hydronic baseboard. Suntemp 700, Suntemp 800, Petite 7, Petite 9, Kom Pak, Senior, Classic with aluminum grill, Synergy and Elegance. Thermaquiet wall mounted fan assisted low temp high output heaters.

MILL ROSE - BLUE MONSTER - Compression seal tape for leaks, Teflon tapes, Microbubble leak detector, 1 - step PVC cement, pipe joint compounds, grit cloth, hand wipes, Aluminum oxide open mesh and sand cloth, Power deuce brush, Drain Banger. Full line of fitting brushes, boiler brushes, solder flux, hand tools, flame shields, refrigeration coil brushes, Water Gate shutoff tool, Artic Armor Gel.

NEUTRA-SAFE - Condensate neutralizers, for use on all condensing appliances - Clear tube style horizontal & vertical neutralizer with built in unions & o-rings at each tube end. Available for heating systems rated from 60,000 to 2 million BTUH, high capacity tank style configuration for larger high efficiency gas fired appliances (4 million to 6 million BTUH). Recharge kits and System Feeders.

PIONEER/OLYMPIA - Complete line of Builder and Showroom grade bathroom and kitchen faucets available in residential and commercial applications. Full line of shower heads, valves and Accessories.

** Not represented in MD, DE, VA

REFCO - Recognized as the world leader in manufacturing of service equipment for the refrigeration and air conditioning industry. Offering a complete line of condensate pumps, vacuum pumps, refrigeration recovery units, refrigeration gauges, vacuum gauges, manifolds, leak detection, charging scales, thermometers, video scopes and various HVAC and refrigeration tools.

THERMO-DYNAMICS STEEL BOILERS - Full line of higher efficiency Oil Boilers that can easily maintain their efficiency ratings throughout the life of the product. Residential Steel Boilers, Vertical Tube, Three Pass Horizontal Tube, Lo Mass Scotch Marine, Chimney and/or Direct Vent, Dry Base and Wet Base Units, Zero Clearance Units, Indoor and Outdoor Residential Oil Fired Pool Heaters, Electric Wall Hung Boilers.

WESTWOOD - Full line of oiler filters, filter elements, "Spin On" oil filters, Tigerloop oil de-aerators, burner electrodes, combustion test equipment, t-stat covers, chemicals, oil pump couplers & Numerous oil related parts & supplies

VESTA - Premium condensing instantaneous gas fired water heaters (tankless). Condensing combination boilers/water heaters. Hybrid units also available as tankless with tank.

Z-FLEX - One source venting supplier. Offering aluminum and stainless steel flexible chimney venting solutions. Z-Vent 6" - 24" diameter vent pipe AL29-4C special gas vent. Z-Dens polypropylene vent systems for high efficiency condensing appliances available in single wall ridged pipe, flexible liner chimney kits, cascade and concentric. Flex-master metal duct and fabriflex flexible air duct for HVAC warm air and AC installations.

ZILMET - Complete line of residential and commercial diaphragm hydronic expansion tanks (obround or flat for wall hung applications); Potable hot water expansion tanks and Well tanks. Full line of Commercial ASME expansion tanks up to 3900 gallons. Full line of Plate and Frame and Brazed Plate Heat Exchangers. ALL RESIDENTIAL TANKS CARRY A 5 YEAR LIMITED WARRANTY AGAINST MANUFACTURER DEFECTS. Zil-kit: includes expansion tank, fast fill w/backflow, air separator and valves. INTAKLEAN 2: multifunction magnetic dirt separator and filter.
